Primary Examiner, Art Unit 3652

The following is an examiner's statement of reasons for allowance:

Re claim 1, the prior art taken as a whole does not show nor suggest each of the plurality of displacing mechanisms connected to and configured to displace a single second shelf vertically as claimed. The closest prior art, Koji, does not include each of the plurality of displacing mechanisms connected to and configured to displace a single second shelf vertically as required by the claim and there is no motivation absent the applicant's own disclosure, to modify the Koji reference in the manner required by the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Scott Lowe whose telephone number is (571)272-6929. The examiner can normally be reached on 6:30am-4:30pm M-Th.
